I Sure Miss You Lyrics

If life could only bring again, the days I took for granted
when
To hear your voice was just a call away
Oh what I'd give for just some time, to say the things that
slipped my mind
There's so much now I'd really like to say
But I can never go back when we did the things we did back
then
I'll store those precious memories in my mind
I'll take what you've instilled in me; I'll try to be all I can be
And walk the path that you have left behind

Chorus

I sure miss you; life will never be the same with you not here
Each passing day has brought much pain
But with God's grace my strength remains
I sure miss you, but heaven's sweeter with you there

Verse II

The little things that seemed so small are now gold in a
memory vault
I cherish every one I have of you
Now I can see and recognize the part you played to shape my
life
I often see you in the things I do
In God's design and master plan He saw the hurting hearts of
man
As we would say goodbye to those so dear
So with our family and friends we'll be together once again
We'll view all heaven's splendor hand in hand.
